

Terminology Services - Vocabulary Catalog Report

Vocabulary Name	Publishing Organization	Description	Last Update
(TSG) Modeling Glossary	Office of Research and Development/Office of the Science Advisor, Policy, and Engagement	Terms established to promote consistency and consensus among environmental model developers and users.	March 19, 2010
(TSG) Integrated Risk Information System (IRIS) Glossary	Office of Research and Development/Center for Public Health and Environmental Assessment/Chemical and Pollutant Assessment Division	This glossary contains definitions of terms used frequently in IRIS Program assessments and related materials. These definitions assumed that the user has some familiarity with risk assessment and health science.	June 22, 2022
(TSG) Biocriteria Glossary	Office of Water/Office of Science and Technology	Glossary for biological assessment and biological criteria	March 6, 2012
(TSG) Core Ecosystem Services Research Program Standard Lexicon	Office of Research and Development/Ecosystem Services Research Program	A set of defined terms for consistent use in the Ecosystem Services Research Program. It provides the core ESRP terms with their preferred definitions.	February 9, 2010
(TSG) Toxicity Testing and Risk Assessment Glossary	Office of Chemical Safety and Pollution Prevention/Office of Pesticide Programs	Glossary terms used for the development and evaluation of new technologies in molecular,	April 22, 2010
